Join us to see the latest innovations in Telecare and Telehealth!
Where else can you meet up to 33 suppliers in one place? - all FREE!

Why? You know just how popular the London Telecare MarketPlace has proved to be. This one promises to be the largest so far, with plenty of space for all of our UK and international suppliers to display their latest range of cutting-edge equipment and services. Some of these will be newly launched in the market place.

Please arrive any time after 10.30am and stay for as long as you like up to 3pm, allowing yourself plenty of time to meet as many suppliers as possible.

Don't miss this opportunity to discuss informally how these, our Support Members, could help solve some of your, or your customers' problems and needs.

You will also be able to meet and enjoy networking with many of your co-professionals. There will be deals and opportunities for you to save money and make your visit even more worthwhile.

Who should attend? All Health & Social Care professionals, Telecare & Telehealth providers and Commissioners from London and the Home Counties, including Essex, Bedfordshire, Hertfordshire, Buckinghamshire, Berkshire, Oxfordshire, the M25 and beyond. From South London you can travel by tube to Walthamstow Central at the end of the Victoria line and catch a 275 bus to the Town Hall. It's an imposing building, and the Assembly Hall is to the right of the Town Hall. Access by car is about 2.5 miles from the end of the M11, via the A406 and A503. Pay and Display parking is available on a first come, first served basis, and there are several car parks in the grounds and surrounding area.

NB: There is no need to book but please let us know if you are going to attend. There will be refreshments and light snacks available to buy.
